Rebuilding the foundations of ministry.

With the world ever changing at breakneck speed, the temptation for the church is to become sidetracked with all manner of distractions and secondary issues. When the early church faced mounting challenges, the Apostles found it necessary to give themselves continually to prayer and the ministry of the Word. We believe there is a need to return to these same foundations of *preaching* and *prayer* in our day.

This dual conference theme reflects the realization that only ministries grounded in the faithful exposition of the Word *and* upheld by prayer have the power to effect any lasting change. Our goal is to establish a conference that not only maintains this reminder but also provides an opportunity for fellowship and soul-refreshment. Come and enjoy the preaching of faithful men as they focus on rebuilding the foundations.
